Winter 2017 - January 21 & 22 - Concert Programs

The Pocono Youth Orchestra and the Pocono Junior String Orchestra have great potential for further development and serve as a valuable educational and cultural outlet for young musicians in our area.

Both orchestras perform twice a year in Winter and Spring concerts, and rely primarily upon the financial support generated through print advertisements in the concert programs.

It is our pleasure to invite you to advertise with us in these concert programs.

We thank you for your support.
