

It's not too late to join the Pocono Youth Orchestra for the 2025-2026 spring concert!

Accomplished young string musicians are encouraged to audition for the PJSO (Pocono Junior Strings Orchestra). Advanced student musicians playing strings, brass, woodwinds, and percussion are encouraged to audition for the PYO (Pocono Youth Orchestra).

Please review our website for [Member Info](#) and the [2025-2026 Calendar](#).

Tuition is determined by instrument and group.

- PJSO (February 24, 2026 - May 17, 2026) = \$140 due by February 24, 2026
- PYO Strings (February 26, 2026 - May 17, 2026) = \$175 due by February 26, 2026
- PYO Brass/Woodwind/Percussion (February 26, 2026 - May 17, 2026) = \$150 due by February 26, 2026

Interested students must complete the following steps:

1. Work with their teacher to determine which group is the best fit and complete a [Teacher Recommendation Form](#). (Technique and skill requirements for each group can be found on the Audition Info page of our website.)
2. Schedule their audition, complete an [Audition Form](#), and prepare their music. (Auditions will be held by appointment starting at 2:30 PM on Saturday, February 14th and can be scheduled by contacting music@pocono-youth-orchestra.org.)
3. Submit their Teacher Recommendation and Audition Forms to the Music Director at their scheduled audition.

Students who complete these steps and pass their audition will then complete a Registration Form, submit their tuition, start attending rehearsals, and participate in the spring (May) concert.

We invite you to attend our Winter Concert on Sunday, February 22nd at 3:00 PM in the Celia S. Cohen Recital Hall, Fine and Performing Arts Building, East Stroudsburg University. Doors open at 2:45 PM.

Please email us at music@pocono-youth-orchestra.org if you have any questions or would like additional information.
